

NJ CAR Recognizes the Dealerships That Have Contributed To CAR-PAC

NJ CAR appreciates the support of the 237 dealers

who contributed to CAR-PAC, the Coalition's political action committee, between January 1, 2020 and August 31, 2020. CAR PAC needs the contributions of ALL dealers to ensure it has the necessary financial resources to support candidates (*on both sides of the aisle*) who support the franchised retail automotive industry in New Jersey and ensure the dealers' voice is heard in Trenton on a wide variety of important public policy issues.

The New Jersey Election Law Enforcement Commission (*ELEC*) rules allow contributions to a political action committee of up to \$7,200 per business or jointly-controlled business. And, don't

forget, contributions can be made with corporate funds.

If you have any questions regarding how much your dealership or dealership group can still contribute to this election cycle, please contact Jim Appleton at 609.883.5056, Ext. 330, or by email at jappleton@njcar.org.

NJ CAR encourages those dealers who have not yet contributed to support CAR-PAC's efforts on behalf of ALL New Jersey franchised automotive retailers.

The following dealerships contributed to CAR-PAC between January 1, 2020 and August 31, 2020. **nj car**
